## The Son of God Is the Undoer of Sin

Luke 3:38–4:13

1. The Son of God doesn't do what Adam did
2. The Son of God doesn't desire what Adam desired
3. The Son of God does what Adam should have done

Questions for discussion:

1. Do you have regrets or things you wish you could go back and change?
2. What temptations have you faced this past week? How did you react to temptation?
3. How does Jesus as the Son of God deal with the temptations you have failed to resist and the regrets that can follow from giving into temptation?
4. How does Jesus empower you to resist temptation?
