2. Why was Martha serving?

  - a. What effect did that have on you?
  - b. How did it change what you actually did?
  - c. Were there other important things that you let be less important, as your Lord was more?
2. Are there areas in your life where "what I do for Jesus" takes over in your mind/heart so that "what Jesus does for me" counts less in that moment?
  - a. What are some of places where you can get anxious and troubled about many things?
  - b. Where do you get tricked into thinking that something in Creation can promise you more life than the Creator can?
  - c. What are some of the ways that you've experienced Christ re-inviting you back to himself in those times?
