What's Going On in the World?

Acts 2:11b- 24

- How Jesus fits into what God is doing

- How his followers fit into what God is doing

- How everyone else fits into what God is doing

Discussion Questions:

1. Do you talk equally about Jesus' life, death, and resurrection — or does one of those tend to get more emphasis than the others? Does one tend to get less? If so, why do you think that is?

2. How active would people think God is in his world when they hear you talk about life (i.e. about the things you're doing, enjoying and are concerned about)?

    a. Where do you tend to see God be the most active?

    b. Are there parts of life where you have a hard time seeing him doing very much?

3. Who has God put in your life who needs to hear of what he's done and is doing?

    a. What do you need from his Spirit so that he can send you into their lives?

    b. Spend some time in prayer talking to him with others, asking him to empower you and them, to take part in what he's doing now on the earth.
