

Grace Transforms Humanity

Acts 4:32-37

- I. God's people live in a transformed community...

- II. ...because the people are transformed individually

Discussion Questions:

1. In what specific ways do you see God's grace having already transformed New Life Glenside into a community that cares for each other's needs?
2. Do you see places where we could grow in caring for each other more than we already do?
3. Barnabas has a new identity among God's people that he didn't have before. Something fundamental had changed in him so that people gave him a new name to match the change.
 - a. What did you used to build your identity on that was more self-oriented?
 - b. How have you experienced God's grace changing your identity at its core?
 - c. How have people noticed that about you?
4. God gifts all his people with something that others need while no one has everything they need on their own.
 - a. What has the Lord given you that other people need in order to live well?
 - i. Can you think of anyone who could use your help at this time?
 - b. What kinds of needs do you have where you need someone else's help?
 - i. How comfortable are you in letting people know what you need?
